

Francesco Romoli nasce a Pisa nel 1977. Da sempre interessato a forme espressive di qualsiasi tipo a 14 anni inizia a studiare chitarra, strumento e solfeggio, sua grande passione tutt'ora.

Appassionatosi di informatica nel 1998 comincia ad occuparsi di hacking e net art, in parallelo agli studi. Si laurea nel 2004 a Pisa in informatica.

Nel 2010 comincia a usare photoshop per le sue creazioni, a metà strada tra grafica e fotografia.

Nel 2012 comincia a studiare presso il centro di fotografia contemporanea Fondazione Studio Marangoni di Firenze.

Le sue altre grandi passioni sono il paracadutismo e i viaggi.
